Special Projects

Recruitment for the Registered Electrical Apprenticeship Preparation (REAP) has begun with 7 high school “showcase” events scheduled through April. After the “showcase” presentation and hands-on demonstrations by the employer partner Amteck, interested high school seniors are invited to a “Shock & Awe Day” where they will experience a typical day in the life of an electrician. Up to 30 students will be selected for the 2-week Amteck University Pre-Apprenticeship program. Upon successful completion, graduates will be eligible for hire by Amteck and may be accepted into the 4- year Registered Apprenticeship to become a Journeyman/ Licensed Electrician, earning an estimated \$70,000 annually.
