Northwest TN Workforce Board Outreach and Opportunities Committee Meeting Monday, October 25, 2021 – 1:00 p.m.

Chair – Ben Marks Vice Chair – Glad Castellaw

Minutes

Attending

Committee Members Attending via Zoom: David Parrish, John Glad Castellaw, Jon Dougherty, Dr. Randy Shannon, Ronnie Gunnels, Ben Marks, Landy Fuqua, Amy McDonald, Dr. Karen Bowyer, Lindsay Frilling

Staff Attending in-person: Jennifer Bane, Ginger Powell, Laura Speer

Staff and Contractors Attending via Zoom: Lana Burchfiel, Gina Johnson, Connie Stewart (CSP) **Guests Attending via Zoom:** Kristie Bennett (West TN Regional Director), Dakota Hassell (Youth)

Review and Approval of Minutes of July 26,2021 Meeting: Ben Marks called the meeting to order and asked for comments regarding the prior meeting's minutes.

• MOTION: Glad Castellaw moved to approve the July 26, 2021 minutes as presented. Ronnie Gunnels seconded the motion. All were in favor and the motion carried.

<u>Chair Elections:</u> Both have to be private sector members of the board. Jennifer has not received any additional nominations.

- MOTION: Glad Castellaw moved to re-appoint Ben Marks as Chair. Ronnie Gunnels seconded the motion. All were in favor and the motion carried. Ben abstained from voting.
- MOTION: Ben Marks moved to re-appoint John Glad Castellaw as Vice-chair. Ronnie Gunnels seconded the motion. All were in favor and the motion carried. Glad abstained from voting.

Special Populations Updates: Jennifer Bane covered the following attached reports for Erica Nance.

- <u>Target Populations Report</u>: For September there were 51 new enrollments including 15 who are youth-aged individuals, and 23 individuals with barriers to employment including 4 individuals with disabilities, 3 underemployed, 1 offender, 1 homeless, 7 long-term unemployed, 0 in a high poverty area, and 18 low-income individuals. The full breakdown can be viewed in the attached report.
- Youth Services:
 - O Youth Participant Report: Connie Stewart introduced Dakota Hassell, a youth participant working at TenCom. As a 2021 Dyer County High School graduate and former participant of the Upward Bound program at Dyersburg State, Dakota was interested in math, science, and technology, but didn't really have a specific career plan. He enrolled at UT Martin for computer science and coding, but it wasn't until he enrolled in the Work Experience program he figured out he wanted to do more IT and hands-on work. He's switched his major to Management of Information Systems with a minor in cyber security. Dakota says working at TenCom has allowed him to gain experience, as well as earn several certifications such as Certified Technician, Dispatcher, and CBT Nuggets. Dakota says this experience has greatly helped his communication skills since he has to answer the phones and speak to customers. On November 30th Dakota will be hired at TenCom and will participate in an On-the-Job Training (OJT) grant. Tencom is also working on starting a registered apprenticeship which Dakota will also participate in.
 - O WORKLife Program (Rural Initiative Funding): Ginger Powell provided an update on the WORKLife program under the Rural Initiative grant and reviewed the attached quarterly expenditure report. The grant closed out at the end of September and all funds were expended. The funds remaining after all work experience participants were enrolled were used to fund three Incumbent Worker Training grants and five four-year licenses for TRANSFR Virtual Reality headsets. The headsets will be used primarily in Lake County to give students a virtual hands-on career exploration experience.

• Offenders - RAMP (Rural Initiative Funding): Ginger Powell presented the attached report on the Re-Entry Advanced Manufacturing Program (RAMP). This has continued to be slow due to COVID restrictions. The only active program is Gibson County which is being held off-site at The Orchard House. The class started on 6/26/21 with 18 men enrolled in the Certified Production Technician (CPT) training. The class has had delays due to COVID and increased work schedules, but should be completed in December. No testing has been done yet and all participants are still active including 12 currently employed with Alliance, 2 still incarcerated in the jail and not yet eligible for work-release, and 4 who have left the Orchard House and need to be contacted for an update on their employment state. With the exception of the two at the jail who will be eligible soon to go to work for Alliance through work release, all of the students were enrolled in Alliance's newly formed apprenticeship program. We are waiting for other jails to allow visitors in the building so that instructors can come back in and inmates can participate in work release before resuming other classes. Connie Stewart said that the Dyer County jail staff approached her about a RAMP participant who was released and wanted to continue his CPT training. He is currently in a work experience on the Dyersburg State campus as a grounds worker and working to enroll in additional CPT classes. He wants to go on and continue in Engineering Systems Technology afterwards.

Consideration of Eligible Training Provider List (ETPL) Programs: The committee reviewed the attached handout with the details of the performance of programs due for renewal and the related labor market information. There were no new programs. At the last committee meeting we had just finished the program year and didn't have new performance information. We thought we would have updated data by the board meeting but the deadline was extended, so the programs being reviewed are the same as last time. The updated performance information for the most recent program year is included and the ones highlighted at the top are not meeting at least one of the state's requirements of completion and employment rate of 70% for all students and 40% for WIOA students for those programs with 10 or more WIOA students. Laura Speer and Jennifer Bane explained that the accuracy of the data is in question. The information for all students is supposed to come from the data reported by the providers and the WIOA student data should come from VOS records, but the performance information displayed does not seem to match. For example, the Dyersburg State Industrial Safety program is showing no completers, but this is the program offered at the jail and we know there are completers. Laura received assistance from the state ETPL staff and was given permission to approve these programs since we do not have accurate data at this time and they are still working to implement this new reporting process. The programs on page 3 of the attached handout were originally included but have since been removed by UT Martin. Some are duplicates of other programs and some are continuing education programs that do not require a social security number to enroll. The employment data is being pulled with the social security numbers of students, so providers must be able to supply it on their reports to be in compliance. At this time staff recommend renewing all other programs.

 MOTION: Ronnie Gunnels moved to recommend renewal of the existing ETPL programs and Landy Fuqua seconded the motion. Dr. Bowyer abstained from voting to avoid conflict of interest. All were in favor and the motion carried.

<u>Promising Practices/ Supplemental Grant Updates & New Opportunities:</u>

- RESEA Grant: Jennifer Bane presented the attached handout. We have had 67 unique individuals selected for RESEA services. Of those, 43 completed a subsequent visit and 36 who completed the program. There were 34 individuals referred to Title I and 6 co-enrolled, including one after the report was run. We can receive additional funding this year, on a quarterly basis, if needed to add staff and expand services, but the numbers referred by the state have been very, very low. They have made some changes and we hope to see an increase soon.
- <u>National Dislocated Worker Grant (DWG)</u>: The attached report shows the funds expended and participants served through September 30. We had proposed to place 18 participants for disaster relief and as of the end of October we met our goal of 18. We have enrolled 74 of the 105 training enrollments proposed. This grant goes through June, and any training has to be completed by June 30, so it's really only good for the short-term programs or credentials.

- Apprenticeship Grants (TDLWD & DRA): Ginger Powell presented the attached handout regarding
 apprenticeships. All of the goals for the DRA grant have been met already with the exception of employer
 outreach events which should be met by the end of the grant in December. We have served 83 of the goal of
 89 under the TDLWD Apprenticeship Expansion grant.
 - Registered Electrical Apprenticeship Preparation (REAP): We had five of six complete the REAP
 apprenticeship program and work experience for Amteck. They have all been hired by Amteck and are now
 participating in Amteck's registered apprenticeship program.

Others:

- O GIVE Partnership with DSCC: Ginger Powell explained we had planned to have on-site events, but due to COVID we recorded employer and educator panel discussions on the nursing pathway instead. We recorded a new employer panel for Tipton, Lauderdale, and Obion Counties that will be shared with the schools during the first week in November for HOSA week. The educator panel recorded earlier this year discussing different programs available at area training facilities will also be shared again. The Employer panel features local employers for those counties and will encompass all the various aspects of nursing job opportunities, wages, work environment in those facilities, etc. Brochures and goodie bags will be put together and shared with the students as well. Login information for VirtualJobShadow.com will also be shared with the schools after the videos so the students can further explore nursing careers.
- o New Opportunities: Jennifer Bane reported on the below new grant opportunities:
 - o <u>SNAP E&T/AARP Grant</u>: This grant which focuses on getting more individuals 50 or older into SNAP Employment and Training (E&T) programs. The state was offered the opportunity for the \$50,000 grant and then offered the opportunity to the local areas, so we partnered with Greater Memphis to participate. We will receive a little staffing money for time spent on the project and some funding for extra supportive services for the participants served through the gran. We are looking at serving about 10 individuals in our area and will outline a plan for outreach and enrollment. We hope to co-enroll them into Title I as well which will help our priority population percentage.
 - o <u>DRA 2021 Delta Workforce Grant:</u> The current \$150,000 Delta Regional Authority (DRA) grant ends in December, and we will have met/exceeded all goals. We are applying for this year's grant and asking for \$154,000 to develop the youth talent pipeline through career exploration, hiring events, and work-based learning. We should know within the next two months if our application is awarded.
 - <u>TANF Opportunity Act:</u> We worked with the Greater Memphis and Southwest areas, and the University of Memphis to submit an application for a planning grant. If awarded, we will have about three months to submit an application for a pilot project to address barriers TANF customers face in securing employment. We are still meeting every other week to be prepared if we are awarded a planning grant after the first of the year.
 - o <u>EDA Good Jobs Grant</u>: The Greater Memphis area has started working on this and provided an opportunity for us and the Southwest area to partner and participate. The grant focuses on training for 'good jobs' and requires employer commitment up front. The application will focus on three target industries, construction, manufacturing, healthcare, and there will be guiding consortium put in place for each sector.

<u>Other:</u> Jennifer Bane reminded everyone that Apprenticeship Week is the week of November 15th. The save the date has been sent and more information will be shared as it is received.

<u>Future Meeting Dates & Upcoming Events:</u> Jennifer Bane noted the upcoming meeting dates and events as listed on the attached agenda and added that we will send Conflict of Interest Forms to be updated before the end of the year.

<u>Motion to Adjourn:</u> Ronnie Gunnels moved adjourn the meeting and Glad Castellaw seconded the motion. All were in favor and the motion carried.

Respectfully submitted, Lana Burchfiel, Public Information Specialist

NW TN Workforce Board Outreach and Opportunities Committee

Monday, October 25, 2021 – 1:00 p.m.

DSCC Gibson County Center, Room 112 2071 Hwy 45 Bypass Trenton, TN 38382 Join Zoom Meeting

Future Meeting Dates & Upcoming Events

- Next Board Meeting: Tuesday, November 9th at 12:00 pm (lunch at 11:30 am)
 NW Development District / HRA (Martin) and Zoom
- State Board Meeting: November 12th (Nashville / YouTube)
- Conflict of Interest Form Renewal: January 2022
- Proposed 2022 Committee Meeting Dates, Monday, 1:00 pm:
 - January 24th
 - o April 25th

7. Other

- o July 25th
- o October 24th

Northwest TN Workforce Board Outreach and Opportunities Committee Monday, July 26, 2021 – 1:00 p.m. Zoom Meeting

Chair – Ben Marks Vice Chair – Glad Castellaw

Minutes

Attending

Committee Members Attending via Zoom: Ronnie Gunnels, Lindsay Frilling, Brad Hurley, Ben Marks, David Parrish, Dr. Randy Shannon, Dr. Karen Bowyer, Amy McDonald, John Castellaw, Landy Fuqua

Staff Attending in-person: Jennifer Bane, Ginger Powell, Laura Speer

Staff and Contractors Attending via Zoom: Lana Burchfiel, LeAnn Lundberg, Gina Johnson, Jennifer Eppley (OSO), and Connie Stewart (CSP)

Guests Attending via Zoom: Kristie Bennett (West TN Regional Dir. Lead), Mike Johnston (guest speaker)

Review and Approval of Minutes of April 26,2021 Meeting: Ben Marks called the meeting to order and asked for comments regarding the prior meeting's minutes.

• MOTION: Ronnie Gunnels moved to approve the April 26, 2021 minutes as presented. Landy Fuqua seconded the motion. All were in favor and the motion carried.

Special Populations Updates: Jennifer Eppley (OSO) covered the following attached reports for Erica Nance.

- <u>Target Populations Report</u>: There were 605 total enrollments and 73 new enrollments including 45 who are youth-aged individuals, and 55 individuals with barriers to employment including 7 individuals with disabilities, 20 underemployed, 15 offenders, 12 in a high poverty area, and 35 low-income individuals. The full breakdown can be viewed in the attached report.
- Youth Services:
 - Nouth Participant Report: Connie Stewart introduced Mike Johnston from Gibson County to speak about his son Mitchell's experience in the Youth Work Experience (YWE) Program. Mitchell, who has ADHD and autism, found school difficult and went into special education where upon graduation they referred him to the American Job Center. Initially he was enrolled as a youth participant and placed at a grocery store to gain work experience, but unfortunately, COVID ended his position. Last year he was accepted into the EDGE program at Union University and the Youth Program continues to assist with tuition. In addition to preparing for work, Mike is thrilled that Mitchell is gaining independence by learning life skills such as doing his laundry, cooking, getting his own checking account, biking to his classes, and being accountable for homework and projects. Making friends and being part of a group has been another huge success. Mike was inspired by Mitchell's success and enrolled at TCAT Newbern to get his truck driving license. The two-year Edge program offers a third year Bridge program considering Mitchell remains comfortable and continues learning. He will be featured as a success story in our upcoming Annual Report.
 - Dr. Karen Bowyer said they are looking at adding a similar program at Dyersburg State Community College. Typically, at the end of the program, the participant will get a type of certificate. David Parrish added that Vocational Rehabilitation also sponsors people at various schools. Some are on a degree path and some on employment path.
 - WORKLife Program (Rural Initiative Funding): Ginger Powell reported on where we are with Rural Initiative Funding in Weakley, Obion, Carroll, Benton, and Lake. Carroll is the only at 100% of its enrollment goal while Benton County is nearly 100% expended. Since most of the participants in Benton County worked full-time instead of part-time, there were fewer served than originally proposed. In Lake County, who has the most funding, staff have dispersed fliers and had a couple of events, resulting in 25

enrollments of the 32 proposed. We are reaching out to UT Martin, Dyersburg State, and TCAT Newbern to see if they have students from these counties interested in working.

- Offenders RAMP (Rural Initiative Funding): Ginger Powell presented the attached report on the Re-Entry Advanced Manufacturing Program (RAMP). Most of these were already reported on the last report, and most all of these individuals have exited, since some of these classes were two years ago and classes have been fairly inactive due to COVID restrictions or low numbers of inmates. Dyer and Gibson are the only two with active classes. Gibson County has 18 enrolled, their largest class, with Orchard House and Gibson County Jail residents participating, and 13 of the 18 also enrolled in Alliance Staffing's newly approved apprenticeship program. Nine students in Dyer County just started in June and will go component by component. While we want participants to earn a certificate, the ultimate goal is employment. Out of 177 inmates served, 160 have been exited and 27% were working during second quarter after exit. This report will likely start over with only active classes on the next report so that the total report numbers will be more current and reflective of changes and improvements since the program began.
 - O Amy McDonald asked if employment is taking place while incarcerated or after release. Ginger said our program is set up for them to work while they are incarcerated so that they are set up for work release and have employment when they are released. COVID hurt our employment since they were not allowed to do work release, but as of today, our jails are allowing work release. Amy praised the results and stated that in her experience, 27% employment is wonderful.

Consideration of Eligible Training Provider List (ETPL) Programs: The committee reviewed the attached handout with the details of the performance of programs due for renewal and the related labor market information. There were no new programs. The performance information listed is for program year (PY) 2019 since PY 2020 performance won't be received until August 15th. For programs with more than 10 WIOA students, programs must have at least 40% completion and employment rates for WIOA students and 70% overall. UT Martin's Pharmacy Technician program is currently at 33% employment. Staff recommend that we approve all programs as long as the 40% WIOA and 70% overall requirements are met with the PY 2020 performance data which will be available by the board meeting.

 MOTION: John Glad Castellaw moved to recommend renewal of the existing ETPL programs and Ronnie Gunnels seconded the motion. All were in favor and the motion carried.

<u>Youth Eligibility Policy - Basic Skills Deficiency Changes:</u> Jennifer Bane presented the policy changes as indicated in red in regards to assessing basic skills deficiency due to being unable to compute or solve problems, read, or write at a level necessary to function on the job, in one's family, or in society. The changes have been cleared by the state staff.

MOTION: Amy McDonald moved to approve the policy changes and Ronnie Gunnels seconded the motion.
 All were in favor and the motion carried.

Promising Practices/ Supplemental Grant Updates & New Opportunities:

- <u>RESEA Grant:</u> Jennifer Bane presented the attached handout. They are up quite a bit since services were
 reinstated after being suspended due to COVID. We have had 446 unique individuals selected for services,
 355 who completed a subsequent visit, and 314 who completed the program. We are receiving additional
 funding for next year on a quarterly basis to add staff and expand services.
- <u>National Dislocated Worker Grant (DWG)</u>: The attached report shows the funds expended and participants served through June 30. We had proposed to place 18 participants for disaster relief and as of the end of June we were up to 16. We will still spend the money, but it will end up being more money on less individuals working more hours than first proposed. We have enrolled 52 of the 105 training enrollments proposed.
- Apprenticeship Grants (TDLWD & DRA): Ginger Powell presented the attached handout regarding apprenticeships. We are on track for meeting our goals for the DRA grant and have through December to complete the remaining employer outreach events still needed. New apprenticeships include United

Ammunition's Maintenance Technician and Alliance Staffing's Production Technician. We are expecting one program at Davis Automotive. We requested and received an extension on our apprenticeship funds through October to serve the remaining 13 apprentices needed to reach our goal.

Registered Electrical Apprenticeship Preparation (REAP): We had five of six complete the REAP program.
 They will continue in work experience and upon being hired by Amteck will be entered into the apprenticeship program and count towards our remaining goal.

Others:

GIVE – Partnership with DSCC: Ginger Powell mentioned the partnership with DSCC for nursing career exploration events. In Spring of 2021 we developed a two-part video series for Lake and Dyer counties and plan to do another two-part video series for Tipton, Lauderdale, and Obion Counties in November. The employer panel will feature local employers for those counties and will encompass all the various aspects of nursing job opportunities, wages, work environment in those facilities, etc.

Other: Jennifer Bane presented the following information:

- <u>Board Officer Elections (Chair, Vice-Chair, & Secretary):</u> Nominations due to Jennifer by August 15th, and vote at annual board meeting. The Chair and Vice-Chair must be private-sector representatives.
- <u>Committee Officer Elections (Chair & Vice-Chair)</u>: Both have to be private sector representatives and will be voted on at the committee meetings in October. They will both serve on the Executive Committee.
 Nominations due to Jennifer by the end of September.

<u>Future Meeting Dates & Upcoming Events:</u> Jennifer Bane reviewed the upcoming meeting dates and events as listed below.

- TDLWD Commissioner Visit: Wednesday, July 28th, 2:00 3:30 pm, Crown Winery (Humboldt, TN)
- Refocus TN Workforce System Convening: August 18-20 (Opryland Hotel)
- Next Board Meeting: Tuesday, August 24th at 11:30 am, NW Development District / HRA (Martin) or Zoom
- State Board Meeting: August 27th (Nashville / YouTube)
- Remaining 2021 Committee Meeting Dates: Monday, October 25th at 1:00 pm

Kristie Bennett shared with the committee that West TN Apprenticeship Director has been hired and there is a new Re-Entry State Director, William Arnold.

<u>Motion to Adjourn:</u> Ronnie Gunnels moved adjourn the meeting and John Glad Castellaw seconded the motion. All were in favor and the motion carried.

Respectfully submitted,

Lana Burchfiel, Public Information Specialist

Quarterly Report - Narrative Questions

Please answer the following questions. Include this document as an attachment to your quarterly report.

Submission Date: <u>Oc</u>	tober 15, 2021			
Grant Recipient: Nort	hwest Tennessee Workfor	ce Board		
Project Name: EARN\$	TN - Expanding Apprentices	hips in Rura	Northwest Ten	nessee
City: Dyersburg	County/Parish: _	Dyer		_ State: TN
Point of Contact: Jenr	nifer Bane			
Email: ibane@nwtnwo	rks.org	Phone:	731-286-3585	

	Proposed Outcomes	Actual Outcomes
Individuals Trained (pre-apprenticeship)	24	85
Industry Certificates Awarded	20	27
Job Created	8	14
Jobs Retained	8	64
Employer Outreach Events	18	16
Registered Apprenticeship Occupations	6	6
Secure Support	6	7
Pre-Apprenticeships	2	2
Jobseeker Recruitment Events	12	19
Funding Support	\$45,000	\$93,240.21

1. During the period of performance, what project activities occurred and what was accomplished? Describe all major tasks and deliverables.

The overarching goal of the EARN\$TN grant proposal is to grow apprenticeships in rural northwest Tennessee. All outcomes are listed below in the response to question 3. Below is a chronological account (during this period of performance July 2021 – September 2021) of project activities to push northwest Tennessee toward our ultimate goal:

July 2021 -

- NW TN Workforce Board staff met with employers to discuss the benefits of beginning a Registered Apprenticeship Program:
 - o 7/7/2021 Baptist Hospital Huntingdon (Carroll Co.), Union City (Obion Co.), Memphis (Shelby Co) discussed details of Phlebotomy and Central Sterile Supply contacting RTI providers
 - o 7/13/2021 Auston Mealer's Restaurant Equipment Repair (Dyer Co) expanding program
 - 7/13/2021 Mike's Pools and Spa (Lake Co) continued discussions on Pool Technician Apprenticeship
 - 7/20/2021 Rural Health Association Coordination Meeting TN Office of Apprenticeship certified Pre-Apprenticeship targeting youth for healthcare occupations
 - 7/30/2021 Hamilton Ryker TalentGro and Titan Tire discussed various occupations for apprenticeship including enrollment of incumbent workers and new hires
- Speaking Engagements and Events:
 - 7/28/2021 Workforce Strategy Discussion with TN Department of Labor Commissioner employers from the 9-county region joined the Commissioner and team to discuss workforce strategies in rural northwest TN – topic Apprenticeship development
- New Pre-Apprentices: 7/12/2021 Amteck began the 2021 Registered Electrical Apprenticeship Preparation program class with 6 new Pre-Apprentices. Classroom activities run for 2 weeks followed by 7 weeks of onthe-job learning
- Social Media:
 - 7/21/2021 Shared How Can We Make Youth Apprenticeship a Winning Proposition? Look to Youth Sports originally posted on Jobs for the Future – JFF's Center for Apprenticeship & Work-Based Learning website

August 2021 -

- NW TN Workforce Board staff met with employers to discuss the benefits of beginning a Registered Apprenticeship Program:
 - o 8/17/2021 BAM2 apprenticeship discussion regarding Water Treatment Operator
 - 8/18/2021 Rural Health Association Coordination Meeting TN Office of Apprenticeship certified Pre-Apprenticeship targeting youth for healthcare occupations
 - 8/24/2021 West TN Moving and Storage apprenticeship with TN Office of Apprenticeship to Relocation Specialist – discuss RTI options
- Social Media:
 - 8/9/2021 Shared a graphic from #ApprenticeshipTN with Employers Could starting an Apprenticeship be the answer to getting the best workforce at your business? Link to the ApprenticeshipTN website landing page of How to Start a New Program – Stages to Creating a Registered Apprenticeship Program

September 2021 -

- NW TN Workforce Board staff met with employers to discuss the benefits of beginning a Registered Apprenticeship Program:
 - o 9/7/2021 Kohler (Obion Co) apprenticeship meeting to discuss opportunities within the plant for various skilled positions
- Speaking Engagements and Events:
 - o 9/1/2021 Served as the presenter for the Dyersburg Breakfast Rotary shared with members the benefits of starting an Apprenticeship program
 - 9/2/2021 Virtually Speaking Webinar: How Employers Benefit through a Partnership to Build a Young Talent Pipeline

- 9/14/2021 Served as panelist for Workforce Panel Employers Workforce Discussion Panel at the Obion County Public Library
- 9/21/2021 Served as presenter for the Society of Human Resource Managers (SHRM) Meeting, Topic
 Apprenticeship

New Apprentices:

- 9/15/2021 Amteck (Dyer Co) enrolled 5 Electrical Apprentices in their 4-year time-based apprenticeship
- o 9/22/2021 Alliance Staffing (Gibson Co) enrolled I Production Technician in their I-year time-based apprenticeship

Social Media:

- o 9/2/2021 shared the newly released digital Northwest TN Workforce Board Annual Report with feature articles on:
 - New Registered Apprenticeship Program Enhances Re-Entry Advanced Manufacturing Program,
 Alliance Staffing's Production Technician Apprenticeship
 - Auston Mealer's Restaurant Equipment Repair HVAC Technician Apprenticeship
 - Apprenticeship Programs Help Employers Build Their Workforce: Crown Winery, United Ammunition Container, Inc, White Squirrel Winery, Alliance, Auston Mealer
 - City of Alamo Employees Receive Specialized Training through Water Systems Operator Apprenticeship
 - REAP: Registered Electrical Apprenticeship Preparation Pre-Apprenticeship with Amteck

2. During the period of performance, were all approved project activities completed? Explain why or why not.

The Northwest Tennessee Workforce Board is on track to complete all proposed deliverables and reach all outcomes projected. With the remaining time period for the grant, we expect to accomplish all tasks. We have exceeded the majority of our goals and are on track to accomplish the remaining objectives. We have far exceeded the number of apprentices enrolled and are continuing to preform outreach to the employer community with four events during this period of performance in additional to one-on-one personalized employer outreach meetings. With a large manufacturing base in NW Tennessee, we are working closely with providers of Certified Production Technician training to increase Production Technician apprenticeships. Additionally, we are working with Healthcare Providers to meet talent and training needs. The Northwest Tennessee Business Services Representatives are continuing to meet with employers introducing the apprenticeship model. The Tennessee Office of Apprenticeship is assisting us in our efforts to continue to grow apprenticeship in our rural region.

3. What outcomes have been realized so far? Describe the specific tools used to measure outcome achievement. Are the proposed outcomes still achievable during the period of performance? Explain why or why not?

- 84 first-year apprentices enrolled in registered apprenticeships or pre-apprenticeships
 - Coordination of funds for apprentices
- 6 newly developed apprenticeships registered through USDOL
- 2 new Pre-Apprenticeship Work Experiences developed
- 35 Speaking Engagements & Events held
- 35 posts to our American Job Centers of Northwest TN Facebook page promoting Apprenticeships

All proposed outcomes are achievable during the period of performance. We are progressing and on-track to achieve all goals.

4. Do you have specific needs for technical assistance that DRA can help provide during or after the life of the grant? Explain.

Not at this time.

Registered Electrical Apprenticeship Preparation Program (REAP) Report
