**Minutes**

**Committee Members Attending via Webinar:** Dr. Karen Bowyer, Glad Castellaw, Justin Crice, Jon Dougherty, Ronnie Gunnels, Lindsay Frilling, Landy Fuqua, Ben Marks, David Parrish, Dr. Randy Shannon, Jordan Spraggins  
**Staff and Contractors Attending:** Jennifer Bane, Lana Burchfiel, Gina Johnson, LeAnn Lundberg, Ginger Powell, Jennifer Eppley (OSO), Connie Stewart (CSP)

**Review and Approval of Minutes of July 27, 2020 Meeting:** Ben Marks called the meeting to order and the group was asked for comments regarding the prior meeting's minutes.

- **MOTION:** Justin Crice moved to approve the July 27, 2020 minutes and Ronnie Gunnels seconded the motion. All were in favor and the motion carried.

**Special Populations Updates:**

- **Target Populations Report:** Jennifer Eppley covered the attached Target Populations report. We had for the month of September 522 total enrolled with 51 newly enrolled including, 20 youth-aged individuals, one veteran, three individuals with disabilities, nine justice-involved, and 42 low income. Low income and offenders were higher than last quarter.
- **Youth Services:**
  - **Youth Participant Report:** Connie Stewart introduced 24-year-old Lauren Edwards, a youth work experience participant, to speak about her experience with the program. She is very appreciative of the program and how they work around her schedule as a young mother. She started as a Medical Screener on campus and was transferred to an Employment Specialist to get more experience. She started in August and is about halfway through the program. The Career Advisor who enrolled her had her help with her caseload. She's calling customers, verifying employment, entering case notes, etc.
  - **Benton County WORKLife Program (Rural Initiative Funding):** These students in work experience are about to finish. This money helps fund the participants as adults who didn't qualify as youth. As of September, 11 participants have been served towards the goal of 21 and about half of the funding has been spent.
- **Offenders; RAMP (Rural Initiative Funding):** Ginger Powell said not much changed from numbers last time since most jails have not allowed the instructors in to start new classes. Carroll County does not have internet capabilities to be able to offer classes virtually, so alternative options are being explored to continue there. The class in Obion County was delayed due to active cases, but the class began at the end of September and they have since finished the Safety portion and will be completed in December. Jennifer Bane reached out to the state to see about repurposing the funds because of all the delays due to COVID. We were on a tight timeframe so we are unlikely to reach our proposed goals at this time. We will be requesting to utilize some of the remaining funds for work experience like we have in Benton County. The state has approved for us to submit an amendment to the program.

**Consideration of Eligible Training Provider List Programs:** The committee reviewed the attached handouts with the details of and the related labor market information for the following new programs at Dyersburg State: Human Resources Manager Certification, Dental Assistant, Certified Administrative Assistant w/ Microsoft Office, Certified Master Automotive Technician, Industrial Safety, Quality and Inspection, Total Productive Maintenance, and Manufacturing Processes. All of the courses will be taught through the Continuing Education department. The Industrial Safety, Quality and Inspection, Total Productive Maintenance, and Manufacturing Processes courses are the individual modules and certifications of the Certified Production Technician program. Having each module entered separately will allow individual components to be taught at the Dyer County Jail.

The attached list of programs due for renewal was also reviewed. Performance information is included on the handout to ensure programs have met the state's required performance measures. All programs have met the requirements. The included labor market information indicates that all programs either have expected growth or plenty of annual openings.

- **MOTION: Ronnie Gunnels moved to approve the program renewals and new programs for the eligible training provider list and Justin Crice seconded the motion. All were in favor and the motion carried. Dr. Karen Bowyer abstained from voting and discussion on this item.**

#### **Promising Practices/ Supplemental Grant Updates & New Opportunities**

- **Apprenticeship Grants (TDLWD & DRA):** Ginger Powell presented the attached handout detailing apprenticeship efforts. We now have apprenticeships at Crown Winery and White Squirrel Winery with Dyersburg State serving as the sponsor. The Crown Winery apprenticeships are the first in the grape and wine industry in the state. We are behind slightly on our proposed events which have been difficult to offer because of COVID. Several of the Registered Electrical Apprenticeship Preparation (REAP) students have started to work with Amteck after completing class in July. They will begin their first apprenticeship class in January along with several other first year apprentices.
- **RESEA Grant:** Jennifer Bane presented the attached handout. The state suspended RESEA services at the onset of COVID and pulled the state staff to help with unemployment. This past week they have started scheduling for the first time since April.
- **National Dislocated Worker Grant (DWG):** Our area has received a nearly \$800,000 grant to serve dislocated workers through disaster-relief employment or training services. As of September, nine participants have been enrolled so far of the 123 proposed. Originally we were only awarded a small portion of our request, but we will be receiving the full amount to place individuals in public buildings as screeners and cleaners. The rest of the grant proposes career assistance and training for long-term unemployed or dislocated workers. We have a list of about 800 non-job attached workers whom Connie's staff is trying to contact to see if they can be assisted in job search or training.
- **Others (GIVE – Partnership with DSCC; DSCC Delta Healthcare Grant Partnership):** We are working with Dyersburg State to offer a virtual healthcare event as part of their GIVE grant. We will also be requesting an extension for the grant we applied for through the state that provided funding for supplies and other costs for the event. We are going to do a panel including staff from a hospital, primary clinic, nursing home, and home health agency and an education panel with Dyersburg State, TCAT Ripley, and UT Martin. Since this will be virtual, the schools will be able to share the videos with all students. The videos will also be on our YouTube channel and shared on our Facebook page.

#### **Other:**

- **Youth Waivers:** TDLWD's new youth waiver requires 35-50% of program year 20 funds be spent on In-School Youth (ISY). Under the last waiver local areas could choose to spend up to 50% on ISY, but we had elected to continue to spend at least 75% on Out-of-School Youth. Last year we spent about 6% on ISY. The new requirement needs to be met by the end of the grant period, June 2022, rather than by June 2021 as we had originally thought.
- **New committee member:** Jordan Spraggins, Director of the Crockett County Chamber, replaced Charlie Moore who resigned from the position.

Vice Chair – Glad Castellaw

**Minutes**

**Committee members attending via webinar:** Ben Marks, Landy Fuqua, Brad Hurley, Amy McDonald, Glad Castellaw, David Parrish, Justin Crice, Lindsay Frilling, Dr. Karen Bowyer, Ronnie Gunnels

**Staff attending via webinar:** Jennifer Bane, Lana Burchfiel, Ginger Powell, LeAnn Lundberg, Gina Johnson

**Others attending via webinar:** Erica Nance, Connie Stewart, Jennifer Eppley

**Review and Approval of Minutes of April 27, 2020 Meeting:** Ben Marks called the meeting to order and the group was asked for comments regarding the prior meeting's minutes.

- **MOTION:** Brad Hurley moved to approve the October 28, 2019 minutes and Justin Crice seconded the motion. All were in favor and the motion carried.

**Consideration of Eligible Training Provider List Programs:** The committee received the attached handout with the details of the TCAT Newbern Certified Production Technician (CPT) Program and the related labor market information. This is the program being offered in the Lake County Jail that will rotate with the Obion County Jail. The state workforce board passed a new policy in June that requires all programs to report performance on an annual basis. Programs with at least 10 WIOA students served must meet 40% completion and placement rate of WIOA students and 70% for all students. This program has only served 9 students so far, but it may not have met the required placement rate due to the students still being currently incarcerated and COVID restrictions preventing inmates from being able to go to work. This issue has been brought up with the state staff and they are considering revising the policy to account for small class size and unique circumstances such as jail programs.

- **MOTION:** Brad Hurley moved to approve the renewal of the CPT Program at TCAT Newbern and Amy McDonald seconded the motion. All were in favor and the motion carried.

**Promising Practices/ Supplemental Grant Updates & New Opportunities**

- **Apprenticeship Grants (TDLWD & DRA):** Ginger Powell presented the attached handouts regarding our progress toward our apprenticeship grants. We are on track overall but this quarter was a little slower due to COVID. A new apprenticeship occupation was submitted last Friday and a new apprentice started in another apprenticeship occupation today. Our Amteck pre-apprenticeship program has five graduates, all of whom plan to stay on in work experience until they are hired by Amteck. The class served its purpose to let participants see if this is the right fit for them.
- **RESEA Grant:** Jennifer Bane presented the attached handout. RESEA services have been suspended during COVID so the numbers are little lower than expected. The state staff are working to try to restart the program, and we continue to work towards increasing co-enrollments.
- **National Dislocated Worker Grant (DWG):** The state will receive about \$6 million, \$4.5 of which will be divided among the local areas proportionately based on the original amount requested. We had asked for about \$800,000, but so far we have gotten \$249,000. The grant expands the definition of dislocated workers slightly to include those laid off as a result of the disaster and includes disaster-relief jobs for workers to clean/sanitize public spaces.
- **Others (GIVE – Partnership with DSCC; DSCC Delta Healthcare Grant Partnership):** We had hoped to have an event at beginning of May for Dyer and Lake County High Schools, but we will hopefully be able to reschedule it in some fashion in the Fall. We had applied for some funding for industry panels and soft skills training for Weakley County that also had to be postponed.

## **Special Populations Updates**

- **Target Populations Report:** There were 1,060 total enrollments and 133 new enrollments as of June 30<sup>th</sup>. The breakdown, which can be viewed in the attached report, included new enrollments of 24 youth-aged individuals, two veterans, 23 low income individuals, and one offender.
- **Youth Services:** Ginger Powell provided the following updates.
  - **Registered Electrical Apprenticeship Preparation:** We held a second informational event after Shock and Awe Day to open the class up to recent graduates, up to age 24, instead of only 2020 graduates. We had 14 individuals attend between the two events, nine committed to the program, and eight actually started the class, including one from Chattanooga. He relocated to our area to attend the training and was staying in a tent at a campground until Amy McDonald with TN Homeless Solutions was able to provide immediate housing at a hotel. He is one of the five who completed and is expected to begin working for Amteck soon. The reason we ended up with someone from Chattanooga was due to the program being marketed on social media when we missed our opportunities to promote in the schools. Connie said the AJC in Chattanooga was great to work with to enroll the participant. None of the completers were 2020 graduates.
  - **Benton County WORKLife Program (Rural Initiative Funding):** We had 23 individuals attend and 19 were eligible, but none of them were eligible as youth. We originally planned for the event to happen during school hours but it was postponed due to COVID. We are very happy with the turnout considering the circumstances. Maleia Evans did a great job working with the community to get the word out to employers and students. There were a couple of employers who were willing to take more participants, but every employer that came had at least one placement. The employers got to choose their choices of students, and students chose their employers, and we did the best we could do with matchmaking. Connie Stewart said that she met with Dr. Bowyer about placing youth on campus as COVID-19 screeners. We have put this job on Facebook, and have received over 50 applicants, but only a few have been within the right age range.
- **Offenders; RAMP (Rural Initiative Funding):** Ginger Powell reviewed the attached report. We haven't had a lot of changes since the last meeting since many of the classes have been on hold because of COVID. Totals at the bottom of the report include 15 completed classes. Carroll County is excluded from the totals since they haven't finished their first class. There have been 149 students enrolled with a good pass rate for safety, but it gets less as the classes progress due to a loss of students for release, transfer, etc. We have quite a few exclusions. The only active classes we currently have are Carroll County, and Obion County is set to start their first class on Monday, Aug. 3<sup>rd</sup> with 9 students. Lake County completed since we last met. We struggled to get even 9 in that class, and we lost a lot of students from that class. When we lose them, it really hurts our performance, and we only had one student left to complete the class. The jail administrator worked so hard to make this a success, but there are a lot of variables out of their control. They will have a second class after Obion County's class completes.

**Consideration of New / Revised Policies:** Jennifer Bane provided an overview of the proposed changes to the below policies as outlined in red in the attachments.

- **Training Provider Approval Policy:** A section on monitoring and meeting the state's performance criteria was added as required by the state's policy approved in June.
- **Youth Eligibility Policy:** The policy was updated to reflect the state's new policy approved in June. We brought some of the procedural information we have already been doing into the policy. The "needs additional assistance" definition has been updated. Previously the state defined this for us, but their new policy, if approved on 8/28/20, allows local areas to define the criteria with supporting information. This policy would be effective upon the state's approval of their policy.
- **Youth Program Design and Incentives Policy:** Last committee meeting we had approved the incentives portion of the policy, which has been revised to show the incentive for placement in postsecondary can be awarded to ISY who are enrolled while still in secondary school. The rest of the policy has been updated to reflect the state's policy that was approved at the June state workforce board meeting.

- **MOTION:** Justin Crice moved to approve the above policy changes and Landy Fuqua seconded the motion. All were in favor and the motion carried.

**Other:** Jennifer Bane provided the following reports.

- Youth Waivers: The attached youth waiver sets a requirement that 35-50% of PY 20 youth funding be spent on in-school youth (ISY). This will be a huge increase from the roughly 6% we currently spend on ISY, which will be really tough with the restrictive eligibility criteria and COVID-19 restrictions. Hopefully there will be no sanctions this year if the target is not met.
- American Job Center Services Update: The Dyersburg AJC will reopen on Wednesday, July 29<sup>th</sup>, after the 14-day required waiting period and a thorough cleaning due to a positive COVID-19 test. Moving forward we will be using guidance that Connie Stewart received from TBR about closures and only close due to a positive test, or a probable positive due to a person exhibiting symptoms and having been exposed. All the other centers are open right now. We don't know when we are going to get to Phase 4 with no restrictions, and are checking the numbers every two weeks. Security is present through August.

**Future Meeting Dates & Upcoming Events:** The following upcoming meetings were reviewed by Jennifer Bane:

- Next Board Meeting: August 25<sup>th</sup> at 11:30 am by Zoom.
- State Board Meeting: August 28<sup>th</sup> on YouTube. Local and Regional Plan presentations will be recorded ahead of time and posted online. Areas will respond to any questions during the meeting.
- Regional Planning Council Meeting: September 22<sup>nd</sup>, 10:00 am by webinar.
- Remaining 2020 Committee Meeting Date: October 26<sup>th</sup>, 1:00 pm

**I. During the period of performance, what project activities occurred and what was accomplished? Describe all major tasks and deliverables.**

The overarching goal of the EARN\$TN grant proposal is to grow apprenticeships in rural northwest Tennessee. All outcomes are listed below in the response to question 3. Below is a chronological account (during this period of performance July 2020 – September 2020) of project activities to push northwest Tennessee toward our ultimate goal:

**July 2020 –**

- NW TN Workforce Board Employer Outreach:
  - 7/16/2020 – Crown Winery (Gibson Co): Vineyard Foreman – Working through RTI development and finalizing title
  - 7/17/2020 – CableSouth Construction (Gibson Co) – identified apprenticeship occupation as Fiber Ariel Lineman, reviewing RTI options
  - 7/30/2020 – Jackson State Community College, Tennessee Office of Apprenticeship, and Northwest TN Workforce Board considering Manufacturing Technician apprenticeship utilizing Workkeys National Career Readiness Certificate modules and MSSC's Certified Production Technician curriculum. Targeting justice involved individuals
- New Apprenticeships:
  - 7/28/2020: Vineyard Foreman for Crown Winery, Sponsor is Dyersburg State Community College
- New Apprentices:
  - Two (2) new apprentices enrolled into the newly registered apprenticeships at Crown Winery
- Speaking Engagements & Events:
  - 7/13/2020 – REAP (Registered Electrical Apprenticeship Preparation) Amteck Pre-Apprenticeship class begins at Amteck, Dyersburg, TN – Two-week class
  - 7/15/2020 – Apprenticeship Presentation – Northwest TN Workforce Board and Tennessee Office of Apprenticeship spoke to the Gibson County Human Resource Managers monthly meeting hosted by the Chamber of Commerce
  - 7/24/2020 – REAP Amteck Graduation Day – pre-apprentices continue with Amteck with hands-on, full-time work experience. Wages funded through the Workforce Innovation and Opportunity Act (WIOA).
- Social Media:
  - 7/9/2020 shared to Facebook the USDOL's announcement of \$80 Million in Grants to Expand Registered Apprenticeships in 42 States including Tennessee
  - 7/28/2020 posted pictures of Amteck's REAP Graduation and provided information about the pre-apprenticeship and electrical apprenticeship program

**August 2020 –**

Partners from the Northwest Tennessee Workforce Board, Dyersburg State Community College, Crown Winery, Tennessee Office of Apprenticeship, Tennessee Wine Growers Association, and Humboldt Chamber of Commerce attended the apprentice signing of the first apprentices in the Grape and Wine Industry in Tennessee. Media attended.
- Social Media:
  - 9/10/2020 shared JFF.org post of Women in Skilled Manufacturing Apprenticeships & Careers: An Introduction to Equality and Inclusion's virtual institute announcement

**2. During the period of performance, were all approved project activities completed? Explain why or why not.**

The Northwest Tennessee Workforce Board is on track to complete all proposed deliverables and reach all outcomes projected. With the remaining time period for the grant, we expect to accomplish all tasks. We have exceeded proposed apprentices and job retention and are over 66% of the way to our new registered apprenticeship goal. We have a virtual Discover ApprenticeshipTN Conference coming up in November which we have partnered with TNDOL to bring forth a northwest Tennessee presenter and generate employer engagement in the conference. We also expect to enroll apprentices for a newly registered HVAC Technician apprenticeship in the next reporting cycle and have several upcoming employer meetings scheduled. The Northwest Tennessee Business Services Representatives are continuing to meet virtually with employers introducing the apprenticeship model. The Tennessee Office of Apprenticeship's newly named West Tennessee Director is assisting us in our efforts to continue to grow apprenticeship in our rural region.

**3. What outcomes have been realized so far? Describe the specific tools used to measure outcome achievement. Are the proposed outcomes still achievable during the period of performance? Explain why or why not?**

- 43 first-year apprentices enrolled in registered apprenticeships
  - Coordination of funds for apprentices
- 4 newly developed apprenticeships registered through USDOL
- 1 new Pre-Apprenticeship Work Experience developed
- 18 Speaking Engagements & Events held
- 15 posts to our American Job Centers of Northwest TN Facebook page promoting Apprenticeships

All proposed outcomes are still achievable during the period of performance. We are progressing and on-track to achieve all goals.

**4. Do you have specific needs for technical assistance that DRA can help provide during or after the life of the grant? Explain.**
